

APPLICATION TO PRUNE / REMOVE A TREE ON PRIVATE PROPERTY

Tree Preservation proclaimed in the Sutherland Shire under the *Sutherland Shire Local Environmental Plan 2006* clause 56 and *Kurnell Tree & Bushland Preservation Order*.

Use this form to apply for approval to prune or remove a tree on private property. The *Sutherland Shire Development Control Plan 2006* and *Kurnell Tree & Bushland Preservation Order* specify tree preservation requirements in Sutherland Shire. It contains the objectives and assessment principles that Council will use to determine applications to remove or carry out other work on trees and bushland vegetation. It also establishes what Council will consider to be acceptable practices for the protection of trees during construction, the removal of weeds, bush regeneration and the pruning of trees. If you are unsure please enquire at Councils Customer Service Centre on 02 9710 0333.

REPLACEMENT TREE POLICY

Sutherland Shire Council’s Development Control Plan (Amendment 11) requires that trees removed under this policy are replaced at a rate of 4 to 1 with local native canopy trees. This is to ensure that the tree canopy cover of Sutherland Shire is maintained.

Alternatively, Council and the Applicant may enter into a Deed of Agreement for replacement planting of some or all of the trees off-site. Under this Deed of Agreement Council may agree to undertake the replanting of replacement trees on Council's own land for a fee of \$100 per replacement tree. This fee covers planting, mulching, guarding and six months maintenance for the trees..
